

# DISCOVER WHAT'S NEW!

**FEATURED BRAND**

**TUMI**  
Travel Smarter.  
Arrive Sharper.

**TUMI** is a global travel and lifestyle brand known for its innovation, craftsmanship, and timeless design. Built to perform and designed to endure, TUMI products combine sleek aesthetics with intelligent engineering—from its exclusive FXT ballistic nylon to precision-tested components that stand up to a lifetime of travel. Guided by sustainability and purpose, the brand uses recycled materials, offers global repair services, and partners with organizations like St. Jude Children's Research Hospital to make every journey meaningful.

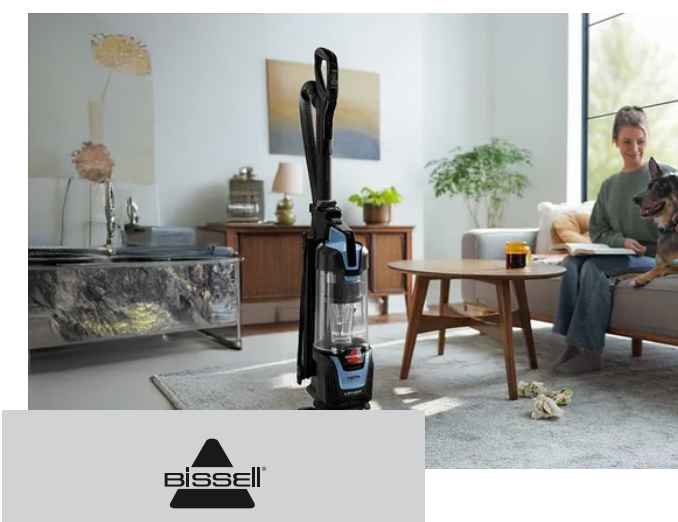

Antwerp Diamonds (USA)<sup>™</sup> connects the world's diamond capital—Antwerp, Belgium—to North America's incentive and recognition programs. Founded in 2002, the company delivers fine jewelry crafted in gold, platinum, and sterling silver, including its Antwerp Silver line for accessible luxury. Each piece includes a Certificate of Origin and Authenticity, ensuring every diamond is natural and cut to perfection in Antwerp—a timeless reward of craftsmanship and excellence.

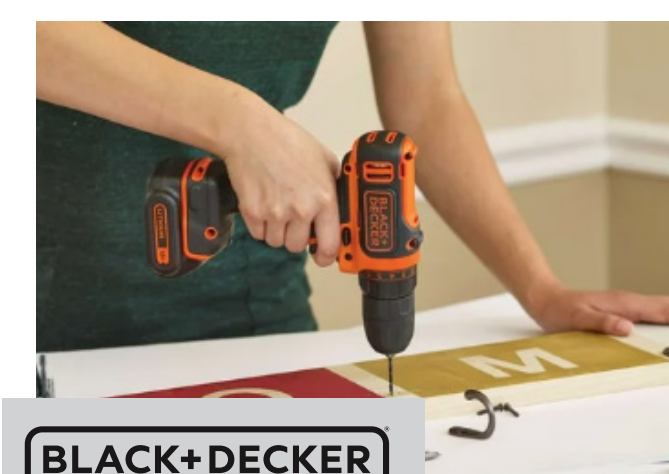

Dyson transforms everyday household tools into feats of engineering and design. Known for its powerful digital motors and innovative air and hair technologies, Dyson redefines performance through precision, intelligence, and sleek aesthetics. Guided by curiosity and invention, the brand continues to push boundaries, creating products that make life cleaner, smarter, and more efficient.

Viking delivers professional-grade performance for the home chef. Known for precision engineering and timeless design, Viking appliances set the standard for luxury kitchens around the world. Combining innovation, durability, and culinary passion, Viking continues to inspire confidence and creativity in every meal.

Bissell has been keeping homes clean for over 145 years, combining smart innovation with a genuine love for pets. The brand's advanced cleaning technology is designed to tackle everyday messes while supporting the BISSELL Pet Foundation, which helps find homes for pets in need. BISSELL believes clean homes and happy pets go hand in hand.

Black + Decker empowers people to make life easier through innovation and reliability. From home improvement tools to kitchen appliances, the brand delivers smart, practical solutions designed for everyday use. With a legacy rooted in ingenuity and performance, BLACK+DECKER helps turn ideas into reality—one project at a time.
