FEATURED BRAND

Aloha Collection brings the relaxed spirit of the islands to everyday life. Created by two friends with Hawaiian roots, the brand is centered on one idea: make travel easier without losing style. Their signature splash-proof fabric keeps essentials protected, and every design is lightweight, durable, and inspired by the places they love. With a portion of profits supporting Hawaiian conservation, each bag carries purpose as well as personality.

MOVADO

Movado is a modern Swiss watchmaker known for its minimalist aesthetic, refined craftsmanship, and the iconic Museum dial, an internationally recognized symbol of art and design. Each watch blends precision engineering with clean, contemporary style to create pieces that feel timeless and sophisticated. With a focus on responsible sourcing and elevated materials, Movado continues to build on its heritage of innovation and artistry while offering designs that balance simplicity, performance, and everyday elegance.

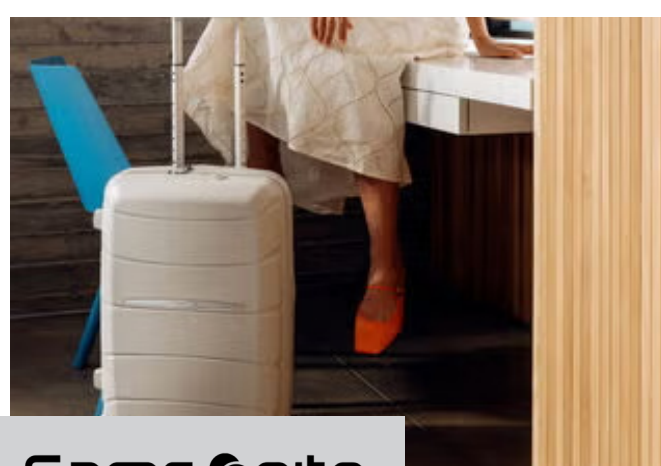

COACH

Coach watches reflect the brand's 1941 New York heritage, blending classic American style with refined, fashion-forward design. Crafted through the brand's long-standing partnership with Movado Group, each timepiece combines dependable quality, clean silhouettes, and signature Coach detailing. The result is a collection that feels modern, polished, and easy to wear. With accessible luxury appeal and thoughtful craftsmanship, Coach watches bring together timeless design and contemporary style in a way that resonates across audiences.

MVMT

MVMT was founded in 2013 with a mission to create stylish, minimalist watches and accessories at attainable prices. Built on a digital-first model, the brand quickly gained momentum for its clean design, modern aesthetics, and trend-driven versatility. MVMT blends contemporary style with everyday function, offering pieces that feel youthful, confident, and easy to wear. Now part of Movado Group, the brand continues to expand its global reach while staying true to its original vision of accessible, fashion-forward design.

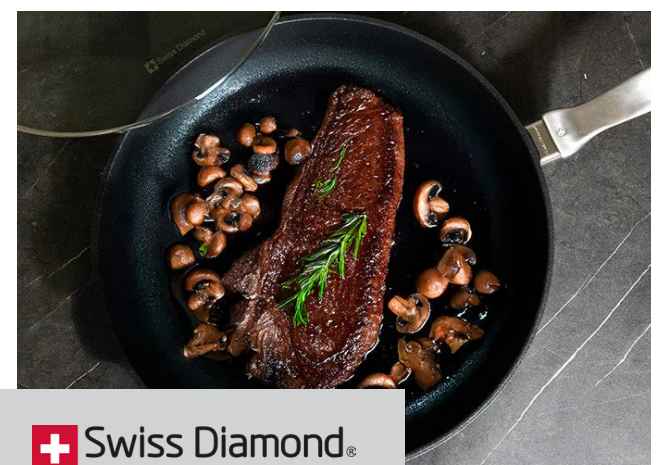

Samsnite

Samsonite is a global leader in travel solutions, recognized for its innovative materials and dependable performance. For more than a century, the brand has designed luggage that adapts to the evolving needs of travelers with lightweight shells, smooth-rolling wheels, and smart interior organization. Samsonite also continues to strengthen its sustainability efforts through recycled materials, circular product initiatives, and construction designed to reduce waste. The brand remains a trusted choice for both everyday travel and long-term journeys.

HIGH SIERRA

High Sierra was founded in 1978 with a mission to create durable, adventure-ready backpacks and gear built for active lifestyles. The brand blends rugged performance with smart, functional design, making it a dependable choice for outdoor exploration, school, work, and everyday use. Now part of the Samsonite family, High Sierra continues to deliver products that support life on the move through practical features, tough materials, and versatile styles that keep up with any adventure.

Swiss Diamond
SWISS MADE • DIAMOND REINFORCED COOKWARE

Swiss Diamond is known for its diamond-reinforced cookware, engineered to deliver exceptional heat performance and easy cleanup. Made in Switzerland to precise manufacturing standards, each piece features a cast aluminum base and a patented nonstick coating infused with real diamond crystals for even heating and effortless release. The brand follows environmentally responsible production practices and uses long-wear materials designed to reduce waste. Swiss Diamond delivers professional-grade performance that elevates everyday cooking with true everyday ease.
