

SMARTER PLAY

SIMPLIFIED

Pinned Golf is built around a smarter, more connected round.

From the Caddie turning any cart into a smart GPS system with detailed hole views, live yardages, game and wager tracking, and access to 45,000+ courses, to the Prism+ delivering fast, accurate reads on every shot, Pinned keeps the focus on the game.

Paired with magnetic speakers trusted by more than 150,000 golfers, including portable options with clip-on versatility and all-day battery life, it keeps sound in place throughout the round.

From tee to green, everything works together to keep the round simple, clear, and moving.
