

NOT JUST FOR THE KITCHEN: MORE THAN A SEASONAL APPLIANCE.

APPLIANCES THAT GET USED, NOT STORED

SUMMER STANDOUTS

Frozen drink systems, soft serve makers, and outdoor pizza ovens are the kinds of products people end up using more than expected. Simple to use, easy to clean, and easy to bring back out the next day.

Works well for patio events, team offsites, client gatherings, and recognition or milestone gifts where people are spending time together and using them in the moment, not putting them away after one use.

Made for summer, used all year
