

Well Wrapped Wellness

FEEL GOOD. GIFT BETTER

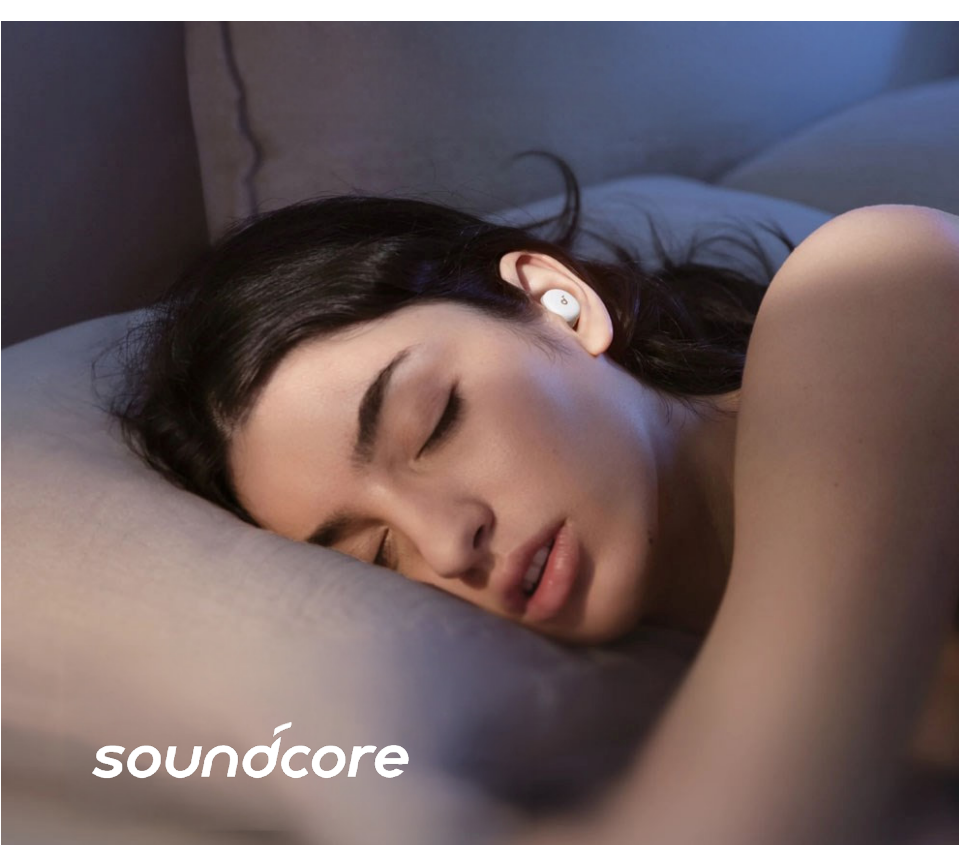

*Wellness looks different
for everyone.*

Better sleep. More movement.
Faster recovery. Or simply finding
a little time to recharge.

*That's what makes wellness such
a strong gifting category.*

From an *Oura Ring* that tracks
sleep and recovery to *Therabody*
for the days that take a little
more out of you, wellness gifts
can be personal, practical and a
little unexpected.

And it doesn't stop there.

Soundcore brings technology to better sleep, *Ostrichpillow* turns downtime into
real time to recharge, and *LifePro* opens up a whole world of recovery, movement
and at-home wellness.

Because feeling good is always worth giving.
