**An iconic, award-winning pack for everyday and photo carry, the newly revamped Everyday Backpack is built around access, organization, expansion, and protection.** Unique MagLatch hardware provides lightning fast top access, with dual side access via two weatherproof UltraZips.

Inside, 3 configurable FlexFold dividers keep gear organized, protected, and not bunched at the bottom of your bag. Dedicated sleeves for up to 15" laptop, tablet, or documents, plus a variety of internal slip pockets for small items. 100% recycled 400D weatherproof shell keeps everything safe.

Huge external carry capacity made possible by a versatile tuck-away strap system. Expandable side pockets for water bottles or tripods. Integrated luggage carry makes this bag equally suited for daily commutes and extended travel. All-custom hardware, minimal dangling straps. Now in its 2nd generation, v2 boasts aesthetic and functional updates based on feedback from thousands of passionate customers.
